

PRESS RELEASE

The Board of Directors of Westario Power Inc. is pleased to announce that Lisa Milne has been appointed as President/CEO of Westario Power effective as of Monday November 17, 2008.

Mrs. Milne commenced employment in December 2005 as Controller and was promoted to the position of Chief Financial Officer in June 2008. Since the retirement of Guy Cluff, Lisa Milne has been Acting General Manager of the Corporation.

Lisa brings executive level expertise in providing strategic direction and leadership in managing the financial, treasury, asset management, and regulatory affairs of the issues and challenges facing the Ontario's electrical distributors and broader electricity market.

Mrs. Milne holds a Diploma in Business Administration and has received a Certified General Accountant designation.

Mrs. Milne has the experience, qualities and personal leadership to drive Westario Power forward. The Board is confident that with this appointment, Westario Power will have both the leadership and staff to build on its existing strengths and develop in a direction that will ensure future sustainability and growth.
